

2016 Vehicle Portrait Price List

Session Fee

\$250

Your Session Fee includes the photographer's time and talent for custom-styled photography as well as editing of each image to prepare the online gallery. A private online gallery will display between 40-60 images, each personally and creatively edited to Dave's style. The session fee includes one 20x24 print on aluminum, signed by the photographer/artist David Schibel. The session fee does not include any digital files or negatives; digital print files can be purchased separately. The session fee is due immediately to hold your reservation. Because I reserve this time especially for you, \$50 of the session fee is Non-Refundable. All photo sessions are held on location. Photo sessions can be held at your home, a park, or an outside location of your choice. Please do read the "Important Details" section below
